

PRESS RELEASE

We give notice that, as implementation of the Program of Agreement for the execution of the enhancement project of the **Sistema delle Falesie Lecchesi**, published on BURL no. 47 Ordinary Orders of 18th November 2015 and signed by Regione Lombardia, Comunità Montana Lario Orientale Valle San Martino, Comunità Montana Valsassina-Valvarrone-Val d'Esino e Riviera, Collegio Regionale Guide Alpine Lombardia, Comune di Lecco, Provincia di Lecco and Camera di Commercio di Lecco, the following work will take place as listed below:

Acting subject:

Comunità Montana Lario Orientale Valle San Martino, Via Vasena 4 loc. Sala al Barro-Galbate (LC). E.mail: info@comunitamontana.lc.it

Extraordinary maintenance works on the **CLIFF OF GALBIATE (LC)**

Starting date: **Friday, 28th April 2017**

Total closure of six sectors, until further notice:

- L'ISOLA DEI FAMOSI
- BLACK MACIGNO
- ANFITEATRO
- BEL PAESE
- PLACCONATA
- ROVINE

Other sectors remain normally accessible, until further notice:

- OASI
- QUATTRO TRACCE
- ORECCHIA
- CINQUE SCORPIONI
- MURO GIALLO

Rock removals are planned, therefore it is strictly required to observe the signage and not to access the forbidden sectors in any way. Works will be carried out also on public holidays. The parking by the mine will be closed.

Following the works on the cliff, the cleaning of the woods and bushes at the foot of the rock face will also be completed, and therefore the cliff will then be totally closed for a short period.

Thank you for your attention and cooperation.
